CMI, Inc. warrants that each new product will be free from defects *in material and workmanship*, under normal use and service, for a period of one year from the date of invoice to the initial purchaser. CMrs obligation is limited to repairing or replacing, as CMI may elect, any part or parts of such product which CMI determines to be defective in material or workmanship. Warranty repairs will be performed only at authorized factory service centers.

Any part or product considered to be covered by the conditions of this warranty shall be returned, freight pre-paid, to an authorized service center. The repaired or replacement part or product will be returned from CMI pre-paid.

Repaired products are warranted for 90 days from the date of repair, subject to the same limitations at this warranty.

Warranty coverage extends only to the original purchaser and does not include normal wear and tear, unusual abuse, or use of the product for other than its intended purpose. This warranty is voided if the product is adversely effected by attaching any feature or device to it, or is in any way tampered with or modified without express written permission from CMI.

There are no warranties expressed or implied, including but not limited to, any implied warranties of merchantability or fitness for a particular purpose. In no event shall CMI be liable for any loss of profits or any indirect or consequential damages arising out of any such defect in material or workmanship.

As a further limit on warranty and as an express warning, the user should be aware that harmful personal contact may be made with seller's product use in automobiles in the event of violent maneuvers, collision, or other circumstance, even though said products are installed according to instruction. CMI specifically disclaims any liability or injury caused by the products in all such circumstances.
